WELCOME TO NAPEX

A national stamp exhibit is a long time in the making. It took a great deal of hard work by many people, many who do not even have their names printed in this program. To those who did the many necessary job, big & small, in the past and present to make NAPEX 1971 a success, we offer our humble thanks and great appreciations.

NAPEX is the genesis of an idea that the efforts of many can contribute a great deal more than the efforts of the few. NAPEX is an organization of individuals and clubs located in or near the nation's capital. Past shows were sponsored by NAPEX in 1950 and 1964; NAPEX played a large part in SIPEX (Sixth International Philatelic Exhibition) held in Washington in 1966. NAPEX is designed to promote philately in the national capital region and to encourage the educational motives of stamp collecting.

We extend our welcome to all of the Societies that are holding meetings at NAPEX 1971, and a very special welcome to the Society of Philatelic Americans which is holding its spring meeting, and to the Scandinavian Collectors Club & The U. S. Philatelic Classics Society which are holding their annual meetings.

On behalf of the Officers, Board and Members of NAPEX, I welcome all of our friends and visitors and wish you the good time that we worked so hard and long to prepare.

Seymour B. Stiss
Chairman

National Philatelic Exhibitions of Washington, D.C., Inc.

I am delighted to have this opportunity to welcome all the visitors to this grand NAPEX show. Whenever NAPEX is held, generally twice each decade, it is always an outstanding philatelic event because of its unique setting. The month of May in Washington finds the capital city particularly beautiful, and every moment free of the show should be spent visiting the many places you know in your national capital.

The S.P.A. has taken this opportunity to hold its Spring Meeting at NAPEX and invites every visitor to come to its booth in the Bird Cage Walk. The S.P.A. is planning a number of events for its members and I wish to urge members and non-members alike to come and talk to our regional representatives and learn what our Society has to offer its members.

Discover for yourself the pleasure and value of belonging to a national society prepared to perform many philatelic services for you. The Society of Philatelic Americans is known as "the friendly society" and we make every effort to live up to that reputation by answering all letters promptly and effectively. We sponsor frequent "get-togethers" for members and officers.

On behalf of the members and officers of The Society of Philatelic Americans I welcome you to our annual Spring Meeting.

DO YOU PURCHASE STAMPS THROUGH AUCTIONS?

You should definitely consider bidding in Public Auctions. We feel you will obtain better quality material at substantially lower prices than purchasing from a retailer dealer.

Consider auctions just a few times; try bidding in our next sale. We handle U.S., Foreign stamps, and covers. Our sales list generally from 1500 to 2000 lots of mint and used stamps selling from $5 to $100 (average price range). Of course we have several every every week and some issues we have not processed for years. We handle a large volume of Foreign (Western Europe mainly).

Ask to see a Special of our New Booklet "THE INTELLIGENT WAY TO BUY & SELL VALUABLE PHILATELIC PROPERTY.

NAPEX BOOTH 7
NAPEX - National Philatelic Exhibitions of Washington, D.C., Inc., would be meaningless if it was not made up by many devoted workers, clubs, and friends. We dedicate NAPEX 1971 to the memory of two such devoted people: 

Paul and Anna Plant

We will always remember them for the many things that they did over the years to make philately in the nation's capital the splendid thing that it is. In a sense, these two people and NAPEX are one and the same.
