

The bottom line
is ... WE WILL
WORK HARDER
FOR YOU!

...Because I take stamps seriously. To me, a collector's stamps are more than just commodities. They are often pieces of one's life. Chances are, a collector passed up something else in order to buy each stamp and cover. That means an obligation on my part to do the best by the collector ... or his or her children.

...We'll help you realize the most for your material. Shall we clear it all out in a single auction? Shall we place parts of it in our auctions of specialized material? Shall we place parts into sales of "name" collections where they might be enhanced by such proximity? Shall we put exceptional items in our annual Gem Sale where realizations are often astonishing? You won't be left out of these deliberations.

After that, we'll turn to the critical business of lotting and describing. We're meticulous in our descriptions. We picture over 85% of the material in our catalogs. Our catalogs draw more attention ... so you realize more.

Immediate cash needed? We also buy outright for cash or can place your collection through our private treaty department.

Let me respectfully suggest that when the time comes to sell, take a few minutes for a toll-free call to me (800-424-9519). Let's discuss your collection. You may end up putting me to work for you then and there.

CHAIRMAN'S WELCOMING MESSAGE

Dear Visitors: June 7, 1985

NAPEX this year has changed its site to another large hotel in Northern Virginia--the beautiful Sheraton National situated at the confluence of Washington Boulevard and Columbia Pike, easy to reach from several directions.

Special philatelic greetings are extended to the *Society for Czechoslovak Philately* which is holding its annual national convention in the Washington area this year. The *British North America Philatelic Society* will be holding an important regional meeting here as will the *American Topical Association*, the *Turkish-Ottoman Society*, the *Souvenir Card Collectors Society* and many other philatelic associations.

This year the United States Government has gone to considerable length in rounding out the NAPEX program by issuing a special Bureau of Engraving and Printing souvenir card, and the United States Postal Service is holding a First Day ceremony on the second day of the show (Saturday, June 8) in the foyer of the hotel, issuing the new 3.4¢ School Bus stamp as part of the new transportation series.

In addition, all visitors are cordially invited to attend the large NAPEX auction being handled by the John W. Kaufmann organization of Washington, D.C.

June in Washington is a really beautiful time of the year and the members of the NAPEX organization hope all of our visitors will also take time to see the many sights of the Nation's Capital.

Philatelically yours,

Milton Mitchell
