"…that though the will of the majority is in all cases

Welcome to NAPEX 2001

The National Philatelic Exhibitions of Washington, D.C., Inc. (NAPEX) welcomes you to our 28th stamp show. We are a non-profit, educational, voluntary organization dedicated to promoting philately in the National Capital Region.

This show is held under the auspices of the American Philatelic Society as part of their World Series of Philately stamp exhibits. For the seventh year, the venue is the newly renovated facilities of the McLean Hilton at Tysons Corner. The NAPEX Committee started last June to plan, organize, and arrange the activities and offerings for this year’s show. We hope our efforts, together with those of the hotel staff, will result in this area's best philatelic event of the year. We also hope that you will find this program a useful reference to our activities.

NAPEX ’01 is a varied show. As our centerpiece, we are very pleased to welcome five major societies who are holding their annual conventions at our show. We also have scheduled many other meetings and seminars sponsored by a wide range of philatelic organizations. Our youth program adds a visit by the 4th Grade students of the Westgate Elementary School, Falls Church, VA. We are pleased to reinstitute our stamp identification service, this year hosted by the Baltimore-Washington Chapter, U.S. Philatelic Classics Society. Also, after one year without a show auction, we are proud to have the Alan Blair firm handling the gavel for us at this year’s show as our NAPEX ‘01 auctioneer.

The NAPEX Committee is indebted to everyone who worked so hard to make NAPEX ’01 a success and wants to thank in particular, our participating dealers, the U.S. Postal Service, the U.N. Postal Administration, our advertisers, volunteers, and the hotel staff. A special thanks also goes to you, our guests, and attendees. Your attendance at the show makes all of our efforts worthwhile.

Special Events

Mail Equipment Shops
For the third straight year, NAPEX has a special exhibit with several demonstrations of the Mail Equipment Shops (MES). This is a unique USPS Field Unit with a mission to secure the U.S. Mails. The MES has 160 employees with an annual budget of $18 million. They manufacture and repair mail bags and pouches, locks and keys, and other special postal items and devices. The only MES product directly used by the public are keys for mail boxes in post offices. Visit them at Table C.

Youth Activities
NAPEX youth activities center around the Youth Area staffed for many years by volunteers of the Springfield Stamp Club (SSC). Parents can visit this area with their children anytime during show hours. The area is in the atrium at Tables H & J. For the fourth year, NAPEX offers a special program with the Boy Scouts of America leading to the Stamp Collecting Merit Badge. Counselors, assembled by Joe Lopreiato, will be available on Saturday from 1-4:30 pm to work with Scouts. In an effort to inspire youngsters into developing an appreciation for stamp collecting, we are expanding our NAPEX youth activities. On Friday, June 1, in cooperation with the SSC, we are hosting a visit to our show by the 4th Grade students of the Westgate Elementary School from Falls Church, VA. During their visit the students will be given a short talk about stamp collecting and a tour of our show.

Stamp Identification Service
NAPEX has reinstituted its Stamp Identification Service. The U.S. Philatelic Classics Society, Baltimore-Washington Chapter, is hosting this service which is located at Table B. Society volunteers will help collectors use identifying tools and references and acquaint them with expertizing services.

The Judging Critique
The critique (Sat 3–5 pm) will feature computer projected images of sample exhibitor pages selected by the judges. This is the third year NAPEX has used a camera and scanner to prepare these pages.
