Welcome to NAPEX

Welcome back collectors. We’ve worked all year to bring NAPEX (National Philatelic Exhibitions of Washington DC, Inc.) the best from our past shows, as well as something new. Your participation makes all of our efforts worthwhile.

The theme, at this our 35th stamp show, is celebrating the Bicentennial of Abraham Lincoln’s birth. Our engraved souvenir card, show covers, and cancels illustrate this theme. This is the 14th year our show, under the auspices of the American Philatelic Society as part of their World Series of Philately stamp exhibitions, has been held at the McLean Hilton.

Show Chairman Darrell Ertzberger and his committee present our Literature and Philatelic Competition. Frames 1–2 show the cover pages of the literature entries.

We are also very pleased to welcome the India Study Circle, Meter Stamp Society, and the Ottoman and Near East Philatelic Society. These societies and their many varied activities are listed throughout the program. Please stop by and visit them at their tables in the Atrium. Once again we have something special from the vaults of the Smithsonian National Postal Museum. It is located in the exhibits area.

Two First Day Ceremonies are scheduled for Friday. The United States Postal Service is issuing a 44¢ US Flag booklet of 10; and the United Nations is issuing a set of stamps entitled Greetings from the UN. Both ceremonies will be held at Martinique’s on the lobby level.

Saturday and Sunday feature nine judging seminars. Four International seminars are the only ones offered in North America this year. Five National seminars include Fundamentals I and II recommended by the APS.

We know the combination of our exciting program, participating dealers, advertisers, volunteers, and hotel staff will result in the area’s best philatelic event of the year. We hope you enjoy the show and we look forward to seeing you again in June 2010.

NAPEX 2009 Souvenir Items

This year’s theme celebrates the 200th anniversary of the birth of Abraham Lincoln who was our 16th President. Shown at left are our three show cancellations at reduced size. We have three different engraved cachet covers (eagle & shield, Lincoln, and Great Seal) to match each day’s cancel. Our souvenir card #22 also has an engraved picture (Civil War Soldier) with our logo embossed in gold foil. All souvenirs use the 42¢ Lincoln Bicentennial stamp.

The cachet designs commemorate the Lincoln-Douglas Slavery debates held for the US Senate seat from Illinois, that he was born in a log cabin February 12th, and Lincoln’s famous Gettysburg Address given on November 19, 1863. These items and other NAPEX souvenir items dating back to 1981 are available at the Information Table (Table 1). NAPEX 2009 extends its special thanks to Michael Bean for printing our engraved souvenirs. We also acknowledge the fine sales and cancellation support of McLean, VA Postmaster Jeffrey Takane and his staff for providing our temporary Post Office and arranging our First Day Ceremonies.

Dr. Nicholas G. (Nick) Carter  
(1936-2008)

Nick died September 11, 2008 at his Bethesda home after a long illness. He was a third generation philatelist. A collector at age 8, his primary philatelic interest was British Colonial particularly West Africa where his grandfather was an administrator and governor.

Since 1996, he served continuously on the Board of Directors of NAPEX. For NAPEX 2008 he was the Assistant Finance and Assistant Bourse Chairman having turned over his major duties after NAPEX 2007. He became our Budget Director in 1998 and Treasurer in 2002 and held these positions through 2007. From 1999 forward, he also was Assistant Bourse Director and assisted in obtaining show dealers and refining the bourse layout. The budgeting and dealer pricing system that NAPEX uses today was devised by Nick.

He was also a strong advisor on technology matters beginning in 1996 as our Technology Director. Nick created the initial website for NAPEX 1996 and was our first webmaster. This website was the first World Series of Philately show to go online. Through his efforts, NAPEX 1999 featured a judge’s critique using computer projected images of sample exhibitor pages.

Nick’s philatelic service included both the Washington and National levels. He was a member of the Council of Philatelists at the Smithsonian’s National Postal Museum. He was Budget Manager, Chairman of the Technology Committee and a member of the Executive Committee of Washington 2006 World Philatelic Exhibition. He was Treasurer of the APS from 2003 to 2007. At the time of his death, he was just starting his second year as President of the APS.

WASHINGTON STAMP COLLECTORS CLUB

The Washington Stamp Collectors Club (WSCC) was formed on January 1, 2006, through a merger of the Collectors Club of Washington (1927) and the Washington Philatelic Society (1905), to foster philatelic enjoyment and educational benefits to stamp collectors in the Washington, DC area. The WSCC provides a wide variety of activities for the stamp collector, including trading and selling stamps, buying stamps, regular programs of interest to the novice and advanced collector, use of philatelic catalogs and literature, six auctions annually, two different U.S. and worldwide stamp circuits at each meeting, a newsletter (WASHINGTON CITY DESPATCH) published six times a year, and many other activities. Refreshments are provided at every meeting.

The WSCC meets at 7-9 pm on the first and third Wednesdays of the month at the Christ Methodist Church, 300 Block of I Street, S.W., Washington, DC. See map for exact location. The meeting location is one block from the Waterfront Metrorail (Green Line) Station. Membership dues are $16 per year.
