Welcome to NAPEX

Welcome back collectors. We've worked all year to bring NAPEX (National Philatelic Exhibitions of Washington DC, Inc.) the best from our past shows, as well as something new.

The theme, at this our 36th stamp show, is celebrating the Sesquicentennial of the Pony Express. Our engraved souvenir card, show covers, and cancels illustrate this theme. This is the 15th year our show, under the auspices of the American Philatelic Society as part of their World Series of Philately stamp exhibitions, has been held at the McLean Hilton.

Show Chairman Darrell Ertzberger and his committee present our Literature and Philatelic Competition. Frames 1–2 show the cover pages of the literature entries.

We are also very pleased to welcome the American Air Mail Society, Colombia-Panama Philatelic Study Group, and the Society of Australasian Specialists/Oceania. These societies and their many varied activities are listed throughout the program. Please stop by and visit them at their tables in the main hallway. Once again we have something special from the vaults of the Smithsonian National Postal Museum. It is located in the exhibits area.

An Unveiling Ceremony is scheduled for Friday for the 44c Negro Leagues Baseball pair that the USPS will be issuing nationwide this summer. Also Friday is the UN ceremony as they issue New York Definitives plus Shanghai World Expo Sheet & Cover. Both ceremonies will be held at Martinique's.

The APS Committee for the Accreditation of National Exhibitions and Judges (CANEJ) is presenting Fundamentals of Philatelic Judging I & II for the first time. These courses will soon be mandatory for all judges.

On a personal note, I first attended NAPEX in 1998 and first exhibited here in 2000. The experience was exhilarating and I sought out membership on the NAPEX board. I invite all of you to participate in the thrill of putting together the Best Stamp Show in the Eastern United States by volunteering for the show and joining us on the board of directors. Speak to anyone with a purple badge for details.

We know the combination of our exciting program, participating dealers, advertisers, volunteers, and hotel staff will result in the area's best philatelic event of the year. We hope you enjoy the show and we look forward to seeing you again in June 2011.

NAPEX 2010 Souvenir Items

This year's theme celebrates the sesquicentennial of the Pony Express. Shown at left are our three show cancellations at reduced size. NOTE: Horseshoes make each design different. We have three different engraved cachet covers (horse & rider, 1860 San Francisco cancel, and iron horse) to match each day's cancel. Our souvenir card #23 also has an engraved picture (horse and rider) with our logo embossed in gold foil. All souvenirs use the 44¢ Flag stamp.

The cachet designs commemorate the relay mail service between St. Joseph, MO and Sacramento, CA. This service began April 3, 1860 heading west. The Central Overland and California Pikes Peak Express Company carried letters and telegrams for 19 months, a trip over 1,966 miles in 10-14 days. These items and other NAPEX souvenir items dating back to 1981 are available at the Information Table (Table 1). NAPEX 2010 extends its special thanks to Michael Bean for printing our engraved souvenirs. We also acknowledge the fine sales and cancellation support of McLean, VA Postmaster Jeffrey Takane and his staff for providing our temporary Post Office and arranging our Unveiling Ceremony.

Charles J. Peterson  
(1933-2009)

His nickname, Charlie, signaled his approachable personality. He was 'Mr. Literature' locally, nationally, and internationally. He was a learned man, gentleman, editor, collector, and just an ordinary nice guy. In 2003, the NAPEX Board voted to start a literature competition for 2004. I asked Charlie, whom I did not know then, to join the Board as a Director for three years with the express purpose to start one and train a replacement. He agreed. He also succeeded and ran the competition in 2004 and turned it over in 2005. In 2007, now off the Board, he returned as the Chief Judge for our 3rd NAPEX Literature competition. We are still going strong (but the APS competitions are down to three a year) and this year the NAPEX Literature Grand Award is named after him.

There was no NAPEX 2006 as the area geared up for Washington 2006. We each had separate positions (naturally, he headed up literature) but I was a FIP novice and he a veteran. Charlie became one of my mentors and we placed each other on numerous emails. Things can get contentious on a committee of this level and I always followed Charlie's advice. He was always correct and that made my job easier. His last judging assignment was philatelic not literature and held March 2009 at our local SPRINGPEX. Charlie was ambulatory and shaky but his mind as sharp as ever.

On June 6, 2009, Charlie attended NAPEX in a wheelchair with oxygen. We soon learned from common friends that he only had 2-6 weeks to live. We also learned that he said that as long as he had a mind, he was going to use it. A close friend of his stated he had never seen such courage. However, for an individual devoted to a lifetime of service, it was just an extension of his character. Good friends were able to share last memories with him. I did so at the reception before the banquet. The banquet began with giving him the Bud Hennig excellence in philatelic judging award from the AAPE. He accepted the award graciously with family and friends rising to a standing ovation. His health was such that he departed before the first course. Little did we know that he only had a week to live. I, NAPEX, his many friends, plus the entire literature community will miss him.
