Welcome to NAPEX

NAPEX time is here once again, and it is our pleasure to welcome you to the greatest philatelic event on the East Coast. Whether you are joining us for the first time or never miss a show, you will be enriched and entertained.

Show Chairman Darrell Ertzberger and his team have planned a three-day spree of buying and selling, meeting and learning, exhibiting and banqueting. McLean Postmaster Jeff Takane and his staff are operating a temporary show station and providing invaluable cancellation support services.

NAPEX is honored by the presence of David E. Failor, newly installed chief of the United Nations Postal Administration. Mr. Failor will preside over the UN ceremony on Friday morning and sign autographs; he will also be in attendance at the awards banquet and United Nations Philatelists meeting. We look forward to continuing the close, mutually beneficial working relationship that has existed between NAPEX and UNPA for many years.

We welcome the officers and members of the American Helvetia Philatelic Society, United Nations Philatelists International, and the Space Topic Study Unit. They have filled dozens of exhibit frames for you to view and are hosting meetings and talks open to everyone. Attend their events and visit their society tables to learn about their collecting passions.

This is our sixteenth year at the Hilton McLean Tysons Corner. Returning patrons will no doubt notice the $40,000,000 renovation that is underway. The lobby, restaurant, and fitness center are complete; next year all of the guest rooms and the function spaces will have been completely redesigned as well. NAPEX will benefit enormously from Hilton’s investment in the property, as we are here through 2015.

Enjoy your weekend. Feel free to contact me directly with your compliments, complaints, or suggestions.

Yours in philately,
Daniel A. Piazza

Space Topics Study Group

The Space Unit was founded in 1957 by space collectors in the US and affiliated with the American Topical Association and the American Philatelic Society. It is the largest astrophilatelic society in the world. The Unit publishes a quarterly 96-page journal, *the Astrophile*, and hosts a quarterly space auction. They hold an annual convention in the US in different parts of the country and also host international meetings. Other benefits include local chapters, mentoring, website exhibits, and gold/silver/bronze space exhibit awards. The Unit provides information at TABLE A. Membership dues are $20 per year with a markup for overseas members. For an application contact Carmine Torrisi – Space Unit Secretary, POB 780241, Maspeth, NY 11378. The society website is at www.space-unit.com.

American Helvetia Philatelic Society

The AHPS is the largest group of Swiss stamp collectors outside Switzerland. The organization dates from 1975 but traces its lineage back to 1938, when six Swiss and three Americans founded the original Society for Collectors of Switzerland in Philadelphia. They issue the bimonthly journal *TELL* and other benefits include auctions, sale books, slide shows, conventions, ask an expert, and show awards. The society has information at TABLE B. Membership dues are $23 per year in the United States or Canada with markups elsewhere. Website application should be mailed to Secretary, Richard T. Hall, POB 15053, Asheville, NC 28813-0053. The AHPS website is at www.swiss-stamps.org/index2.htm and includes FREE introductory Swiss stamp album, a Guide to Swiss Stamps, member exhibits, plus all but the last 3 years of the *TELL* and predecessor journals since 1938.

Stephen Luster (1938-2010)

Steve was an exceptional collector, exhibitor, editor/publisher, researcher/author, plus a dedicated judge, mentor, benefactor, and society/show volunteer. He joined NAPEX in 1990 and was a Director for 14 years. The first year he was a Floor Manager, second year Deputy Show Chairman, and the third our Show Chairman, a position he held six years. He was also Exhibits Chairman (1991-2) and Judges Chairman (1996-2001). Concurrently, he was also our Corporation President five times and VP twice. Because of his health, he stepped aside after the 2003 show. In 2001 he was told he had 2-5 years to live but his courageous fight extended that to nine years. He did reduce his participation but kept active and he exhibited two exhibits at NAPEX 2010 and was the current Editor/Publisher of *Europa News* (Europa Study Unit) at his passing.

In 1995, Steve was the Co-founder, Vice President, and General Chairman (Philatelic Division) of the Washington 2006 World Philatelic Exhibition. While separate from NAPEX, he involved all of us in this show as NAPEX took a bye and we supported the larger show. As this show had no seed money, Steve donated both his time and resources. At his urging, we also donated $1,000 a year from 1996 to 2005 and all of us were recruited by him as volunteers.

It was difficult, if not impossible, to say no to a request Steve made. His tenure at NAPEX was during a crucial period of change. His summary for a motion was oratory of the first degree and based on moral persuasion as well as the logical interpretation of facts. He sponsored many controversial decisions and we cannot remember any not going his way. We called him Mr. NAPEX and our culture became the NAPEX WAY. Steve was a top executive; however, when there was no volunteer to do a clerical task, he did it himself. Sometimes his military background would show through and he used his authority unilaterally, two examples come to mind: (1) in 1997, NAPEX was fortunate to host the Duck Stamp FDI ceremony. The Hilton had a promotion where each room guest received a small rubber duck. The connection was too much for Steve to resist, so he purchased 100 yellow ducks from the hotel, one for each banquet setting (ours still decorate a room in our house and we think of Steve every time we notice them). (2) In 2003, two non-collector wives were helping their Director-husbands with tasks for the show. Steve made a surprise motion that passed immediately making them fulltime Directors befitting their work and contributions to our show.

In short, he gave time, devotion, and his resources to our hobby. All of us at NAPEX, ESU, his many friends, plus the entire stamp community will miss him.

Patricia & Douglas K. Lehmann

2011 Souvenir Items

NAPEX themes celebrates the sesquicentennials of the Civil War and 50th Anniversary of manned space flight. Shown at left are our three show cancellations at reduced size. We have four different *engraved* cachet covers (Fort Sumter, Battle of Bull Run, Lincoln, and Space Flight) to match these cancels. Our souvenir card #24 also has an engraved picture (Lincoln’s portrait) with our logo embossed in gold foil. 44¢ Civil War and Space stamps used as appropriate.

Three cachet designs commemorate the 150th Anniversary of Lincoln’s Inauguration and the Civil War. Lincoln became our 16th President in the midst of Southern states seceding from the Union on March 4 1861. The Civil War started with the bombardment of Fort Sumter on April 12th and on July 21st the first major land battle was fought at Manassas (Bull Run). The fourth cachet honors American Alan Shepard’s May 5, 1961 Mercury space flight aboard spacecraft Freedom 7. He was preceded by Soviet cosmonaut Yuri Gagarin, the first human in space on April 12th. These items and other NAPEX souvenir items dating back to 1981 are available at the Information Table *(Table i)* and our website [www.napex.org/souvenirs](http://www.napex.org/souvenirs). NAPEX 2011 extends its special thanks to Michael Bean for printing our engraved souvenirs. We also acknowledge the fine sales and cancellation support of McLean, VA Postmaster Jeffrey Takane and his staff for providing our temporary Post Office.

2011 Souvenir Items

NAPEX themes celebrates the sesquicentennials of the Civil War and 50th Anniversary of manned space flight. Shown at left are our three show cancellations at reduced size. We have four different engraved cachet covers (Fort Sumter, Battle of Bull Run, Lincoln, and Space Flight) to match these cancels. Our souvenir card #24 also has an engraved picture (Lincoln’s portrait) with our logo embossed in gold foil. 44¢ Civil War and Space stamps used as appropriate.

Three cachet designs commemorate the 150th Anniversary of Lincoln’s inauguration and the Civil War. Lincoln became our 16th President in the midst of Southern states seceding from the Union on March 4, 1861. The Civil War started with the bombardment of Fort Sumter on April 12th and on July 21st the first major land battle was fought at Manassas (Bull Run). The fourth cachet honors American Alan Shepard’s May 5, 1961 Mercury space flight aboard spacecraft Freedom 7. He was preceded by Soviet cosmonaut Yuri Gagarin, the first human in space on April 12th. These items and other NAPEX souvenir items dating back to 1981 are available at the Information Table (Table i) and our website www.napex.org/souvenirs. NAPEX 2011 extends its special thanks to Michael Bean for printing our engraved souvenirs. We also acknowledge the fine sales and cancellation support of McLean, VA Postmaster Jeffrey Takane and his staff for providing our temporary Post Office.

The organization dates from 1975 but traces its lineage back to 1938, when six Swiss and three Americans founded the original Society for Collectors of Switzerland in Philadelphia. They issue the bimonthly journal TELL and other benefits include auctions, sale books, slide shows, conventions, ask an expert, and show awards. The society has information at TABLE B. Membership dues are $23 per year in the United States or Canada with markups elsewhere. Website application should be mailed to Secretary, Richard T. Hall, POB 15053, Asheville, NC 28813-0053. The AHPS website is at www.swiss-stamps.org/index2.htm and includes FREE introductory Swiss stamp album, a Guide to Swiss Stamps, member exhibits, plus all but the last 3 years of the TELL and predecessor journals since 1938.

Stephen Luster (1938-2010)

Steve was an exceptional collector, exhibitor, editor/publisher, researcher/author, plus a dedicated judge, mentor, benefactor, and society/show volunteer. He joined NAPEX in 1990 and was a Director for 14 years. The first year he was a Floor Manager, second year Deputy Show Chairman, and the third our Show Chairman, a position he held six years. He was also Exhibits Chairman (1991-92) and Judges Chairman (1996-2001). Concurrently, he was also our Corporation President five times and VP twice. Because of his health, he stepped aside after the 2003 show. In 2001 he was told he had multiple myeloma and had only 2-5 years to live but his courageous fight extended that to nine years. He did reduce his participation but kept active and he exhibited two exhibits at NAPEX 2010 and attended the awards banquet. Steve was the current Editor/Publisher of Europa News (Europa Study Unit) at his passing. He died October 13, 2010 and was interred at Arlington National Cemetery with full military honors on January 19, 2011.

In 1995, Steve was the Co-founder, Vice President, and General Chairman (Philatelic Division) of the Washington 2006 World Philatelic Exhibition. While separate from NAPEX, he involved all of us in this show as NAPEX took a bye and we supported the larger show. As this show had no seed money, Steve donated both his time and resources. At his urging, we also donated $1,000 a year from 1996 to 2005 and all of us were recruited by him as volunteers.

It was difficult, if not impossible, to say no to a request Steve made. His tenure at NAPEX was during a crucial period of change. His summary for a motion was oratory of the first degree and based on moral persuasion as well as the logical interpretation of facts. He sponsored many controversial decisions and we cannot remember any not going his way. We called him Mr. NAPEX and our culture became the NAPEX WAY. Steve was a top executive; however, when there was no volunteer to do a clerical task, he did it himself.

In short, he gave time, devotion, and his resources to our hobby. All of us at NAPEX, ESU, his many friends, plus the entire stamp community will miss him.

How are we doing? Use the suggestion box at the NAPEX Information Table to help us make 2012 better!
Welcome to NAPEX

NAPEX time is here once again, and it is our pleasure to welcome you to the greatest philatelic event on the East Coast. Whether you are joining us for the first time or never miss a show, you will be enriched and entertained.

Show Chairman Darrell Ertzberger and his team have planned a three day spree of buying and selling, meeting and learning, exhibiting and banqueting. McLean Postmaster Jeff Takane and his staff are operating a temporary show station and providing invaluable cancellation support services.

NAPEX is honored by the presence of David E. Failor, newly installed chief of the United Nations Postal Administration. Mr. Failor will preside over the UN ceremony on Friday morning and sign autographs; he will also be in attendance at the awards banquet and United Nations Philatelists meeting. We look forward to continuing the close, mutually beneficial working relationship that has existed between NAPEX and UNPA for many years.

We welcome the officers and members of the American Helvetia Philatelic Society, United Nations Philatelists International, and the Space Topic Study Unit. They have filled dozens of exhibit frames for you to view and are hosting meetings and talks open to everyone. Attend their events and visit their society tables to learn about their collecting passions.

This is our sixteenth year at the Hilton McLean Tysons Corner. Returning patrons will no doubt notice the $40,000,000 renovation that is underway. The lobby, restaurant, and fitness center are complete; next year all of the guest rooms and the function spaces will have been completely redesigned as well. NAPEX will benefit enormously from Hilton’s investment in the property, as we are here through 2015.

Enjoy your weekend. Feel free to contact me directly with your compliments, complaints, or suggestions.

Yours in philately,
Daniel A. Piazza

The Washington Stamp Collectors Club (WSCC) was formed on January 1, 2006, through a merger of the Collectors Club of Washington (1927) and the Washington Philatelic Society (1905), to foster philatelic enjoyment and educational benefits to stamp collectors in the Washington, DC area. The WSCC provides a wide variety of activities for the stamp collector, including trading and selling stamps, buying stamps, regular programs of interest to the novice and advanced collector, use of philatelic catalogs and literature, six auctions annually, U.S. and worldwide stamp circuits at each meeting, a newsletter (WASHINGTON CITY DESPATCH) published six times a year, and many other activities. Refreshments are provided at every meeting.

The WSCC meets at 7-9 pm on the first and third Wednesdays of the month at the Christ United Methodist Church, 300 Block of I Street, S.W., Washington, DC. See map for exact location. The meeting location is one block from the Waterfront Metrorail (Green Line) Station. Membership dues are $16 per year. For more information, see the WSCC web site at www.dcstampclub.org or call 202-291-6229. JOIN WSCC TODAY.
